About europe

Europe — https://en.wikivoyage.org/wiki/Europe Europe attracts more tourists than any other continent: over 600 million international visitors annually, more than half of the global market. Out of Earth's Prehistoric Europe — https://en.wikivoyage.org/wiki/Prehistoric_Europe Among the world's continents, Europe might be the one most thoroughly excavated by archaeologists.

- Prehistory is usually defined as the time before local Central Europe — https://en.wikivoyage.org/wiki/Central_Europe…

- Long divided by the ambitions of warring empires and then Cold War tensions, this region was Southwestern Europe — http…
- It can be referred to as Latin Europe as, generally speaking, Romance languages and the Association football in Europe…
- Bars show matches, huge arenas host games, an army of travelling supporters throng railway stations

Estimated cost USD DEFAULT PROFILE

10 days · 9 nights · 3 travelers

Per day (USD)	45 food · 18 transport · 30 activities
Hotel (per night)	100
Trip total	**5,490 USD · 5,490 USD**

No cost profile for "europe" in the catalog; using the default profile.

Cost figures are catalog estimates (USD, 1 local units per 1 USD), not quotes; actual prices vary by season and area.

Leave status COMPLIANT

Margaret Hamilton · E0005 · Engineering

Annual entitlement	22 days
Already used	4 days
Remaining today	18 days
This trip	−10 days
Balance after the trip	**8 days**

Leave status is checked against the stored balance only; no leave is requested or booked.
